view it in motion

Experience the future of fireplace luxury with our Holographic Fireplace. Enjoy Ultra-Realistic 3D Flames, smart control via the Ortal app, and eco-conscious living with zero emissions. Effortless installation, versatile elegance, and sensory experience make it the epitome of efficient, sophisticated heating.

ABOUT ORTAL

For more than 30 years Ortal has been the leading innovator of fireplace technologies, manufacturing luxurious and contemporary, frameless gas fireplaces meeting the most stringent requirements of architects, designers, builders as well as home and business owners. Ortal has built a reputation on its uncompromising quality of materials, finish, safety standards, ease of installation and end-to-end services.

ORTAL'S HOLOGRAPHIC FIRES: WHERE LUXURY MEETS INNOVATION

Revolutionary Holographic Brilliance

Ultra-realistic 3D flames with dual screen holographic magic.

Smart, Seamless Living

Effortless control options through the Ortal app or handheld remote.

Sustainable Luxury

Zero emissions and advanced safety features, including remote shutdown and thermostat adjustment, for an eco-conscious lifestyle.

Luxury Redefined for Efficiency

Significant savings and powerful heating of up to 8,900 BTU/hr.

Versatile Elegance

Integrate modern or traditional aesthetics into your space with multiple configurations: front, right - corner, left - corner or three - sided glass - tailored to fit seamlessly into various interior designs.

Effortless Installation, Lasting Beauty

Easy installation and minimal maintenance, enduring beauty without the need for venting or gas infrastructure.

Sensory Experience

Adjustable lighting and realistic crackling sounds.
